

# Artist Submission Guidelines

## Mission Statement

Napa Valley Museum (NVM) is dedicated to providing unique experiences that enrich the cultural fabric of our community through exhibitions and educational outreach. The Museum places the Napa Valley in a worldwide context by inspiring residents and visitors to learn about art, history and the environment. NVM enriches the community by collecting, preserving, and displaying art and artifacts.

## General Exhibition Information

In support of NVM's mission statement, service goals, and collection development guidelines, Museum staff administers an active exhibition program. Galleries include the 2,500 square foot Main Gallery, the 900 square foot Spotlight Gallery, and the 1,600 square foot History Gallery, which displays our permanent history collection. Four to five major exhibitions are mounted in the Main Gallery and multiple smaller exhibitions are shown in the Spotlight Gallery each year. At this time Napa Valley Museum will consider your submission for solo and thematic group shows.
